

## **IMPORTANT NOTICE FOR RHODIUM NOVATED LEASE CUSTOMERS**

The ACT Government announced on 22nd July 2008 that it would call a tender to manage the future of its vehicle fleet currently managed by Rhodium Asset Solutions and that it would bring in a service provider to take over management and wind down of existing Rhodium leases.

In accordance with the Government decision, Rhodium is no longer offering any new or replacement novated leases to existing or new customers, except for a limited time for ACT Government Public Servants.

Rhodium will provide a normal service to its existing customers up until alternative arrangements can be made to manage active leases or until current leases have reached their termination date and are finalised.

For ACT Public Servants that have an existing novated lease, Rhodium will up to the 30<sup>th</sup> September 2009 provide a replacement lease or a refinance of an existing lease provided that the new or refinanced lease end date does not occur past the 30<sup>th</sup> June 2011.

For current non ACT Government novated lease holders that will be seeking a new lease after expiry of their current lease we suggest that you contact your employer's HR section for advice about where to source your next lease.

Rhodium would like to thank its many customers for their support over the past four years and if you have any enquiries on the above please contact a member of the leasing team on (02) 6123 0700 for further advice.
